Dear Parents/Carers,

Response to Government Update GNSA Primary Phase & Nanaksar Primary

We would like to thank you for all your support with your child's home learning so far and we hope you and your families are keeping safe.

Following the Prime Minister's address to the nation on Sunday evening and the prospect of schools opening to Nursery, Reception, Year 1 and Year 6 from 1st June 2020, we wanted to update you on the school's position.

At this point, schools have been given no certainty with regards to opening on June 1st and the Government's plans are 'conditional' at present and will only go ahead if the Government decides that it is safe to do so. Further clarity is required and we are awaiting guidance from Hillingdon (our local authority) and the Government at present.

It is also essential that we have sufficient staffing availability and that we protect our staff, whilst ensuring that we fulfil our ultimate duty in safeguarding all pupils. With this in mind, at this stage we would like to gauge parental responses and anticipated pupil numbers **IF** the government instructs us to open in June.

We would be grateful if all parents with children in Nursery, Reception, Year 1 and Year 6 (GNSA & NPS) could complete a survey that will be sent to you separately today, by this Friday 15th May 2020.

Please be assured that if we are instructed to open, we hope to inform you of this before the half term. We will do everything we possibly can to create a safe and secure learning environment for your child, all of which will be shared with you ahead of opening. Whilst preparation is already taking place for all eventualities, at this point there is no certainty that school will open.

Home learning will continue through Google Classroom at this stage and we would once again like to thank you for all your support through this challenging time.

Yours sincerely,

Mrs P Dhaliwal
