

At Nanaksar Primary our aim is to provide an excellent education for all of our pupils. During lockdown and in the event of class bubbles having to isolate we will use live lessons to help pupils carry on learning and for us to continue teaching like we would in the classroom.

When attending live stream lessons, parents must agree to:

- ★ Read the 'Pupil Guide to Live Lessons' with your child and ensure that they understand the rules.
- ★ Please support your child to follow the routines and be punctual to all live lessons, including completing tasks and work to a high standard.
- ★ Ensure your child is appropriately dressed for their live lessons.
- ★ Ensure your child is in a safe, quiet and appropriate setting for the video lesson, sitting at a desk where possible.
- ★ Support your child to be ready for learning by having a pencil, paper and any other resources ready before each lesson.
- ★ Support your child in understanding the behaviour expected during the live lessons.
- ★ Ensure no photographs or video recordings of the sessions are being made.
- ★ Ensure your child is fully engaged in lessons and not playing games or using any other social media or chat platforms.
- ★ Be mindful of the confidentiality of all the learners involved.
- ★ Raise any concerns with the teacher or school immediately.
- ★ Please do not join or interrupt the live lesson at any time as parents.
- ★ Ensure any borrowed school devices are being used safely and appropriately.

Thank you for your support!
